

ADDITIONAL COURSES GUIDE

Asian Studies (ASNS: 86)

2016-17 Undergraduate Bulletin

The following list should be used only as a *GUIDE* for selecting courses to fulfill Additional Course requirement for the International and Global Studies major or minor with a concentration in **Asian Studies**. Courses highlighted in **yellow** represent **RECOMMENDED** courses (see also “Lists of Recommended Courses”). IGS-marked offerings taught in a given semester appear in the **Course Schedules** (consult the “Category” listing) published by the University Registrar’s Office. Both this Guide and the Registrar’s Course Schedules are subject to change as courses are added to or deleted from the curriculum. Final IGS credit decisions are subject to approval by the Director of IGS or a designated Program advisor.

MAJOR REQUIREMENTS NOTE: IGS majors pursuing this concentration must complete **18 sh** of Additional Course work at the 200 level or above, with at least 9 sh at the 300 level or above. **At least 12 sh of this work must focus on Asia,*** with **at least 6 sh** done at the **upper-level** (300 level and above); the remaining **6 sh** (to complete the 18 sh requirement) **may OR may not** focus on Asia. In addition, although Additional Courses for this concentration may be selected from any of the four course categories, choices must comply with the distribution requirement for the IGS major: *i.e.*, up to 9 sh in a single subject category and no more than 6 sh in any other. **NOTE:** Courses for ASNS credit may focus on **any time period**, though a **majority of the student’s work should focus on the “modern” period** (*i.e.*, from the 19th century through the present).

*For the purposes of IGS, “Asia” broadly designates the geographical regions of East Asia, Southeast Asia, and South Asia, both mainland and maritime. Countries considered include (but are not limited to) Japan, Taiwan, Korea (North and South), the People’s Republic of China, the Philippines, Indonesia, Malaysia, Vietnam, Cambodia, Laos, Thailand, Myanmar (Burma), Nepal, Bhutan, Bangladesh, and India.
